TO WHOM IT MAY CONCERN

The Embassy of the state of Israel would like to certify that Extreme Care Ltd. Has proved to be an expert in international transfer of human remains, providing services 24 hours per day, respond very quickly in a professional way to any emergency.

Over the years the company proved to be trustworthy especially after the terror attack that took place in Burgas in July 2012.

We highly appreciate Extreme Care Ltd not only for the high level service that they provide but also for the sensibility they represent in every case.

Therefore, we highly recommend Extreme Care Ltd as a reliable and a fully professional partner.
